

Office Memorandum • UNITED STATES GOVERNMENT

TO : L R H

DATE: 2 Jan, 1951

FROM : R G H

OGC HAS REVIEWED.

SUBJECT: Procurement

I doubt that we will want to use the national emergency provision at this time. So far as I know, the military departments have not yet invoked it. [REDACTED] on Procurement Policies & Procedures, now being issued, provides that this provision shall only be used as may be authorized in writing by the Executive.
